Newsletter:

The next newsletter will be out in December. If you have any information that you would like to go into the newsletter, contact Tami. There will also be a blurb in the newsletter about the subsidy program available through the city for recreational programs.

Publicity:

One sandwich board went missing from the school. Posters and advertising for the Halloween dance will be out shortly. Craft Fair posters are coming. Currents magazine also has information about the Hall events.

New Business:

1. Nicole Doucet from the City of Kamloops was a guest. She gave a short speech on the new Community Assistance grant of up to \$500.00. This grant could be applicable to the Hall. She also gave some information on the Affordable Recreation for Community Health Program. This allows families who may not be able to otherwise join programs due to cost, to apply for special recreational programs through the city
2. There are three short tables missing from the Hall.
3. The Mud Racers took a garbage can with them, and did not fully clean the Hall.
4. The Grade 7's from RLC want to have a year-end celebration at the Hall. The question was asked if it would be at no charge. It was decided due to numbers, we could not give a free rental. We also need to know if there will be alcohol served for the chaperones.
5. Halloween Dance: Set-up will be Friday morning at 10:00, if you can make it, please come. Security is booked and paid. Lyle will be taking care of purchasing the alcohol, Gary will look after everything else. Karen is contacting Kylie regarding some door prizes.

Old Business:

1. At family dances, we really need to make sure there are no unattended minors. All minors need an adult. There was an issue with some young girls standing on the road flagging cars and screaming.
2. The quote Karen got for labor on the roof was \$5000.00, including GST. A tentative date of April was set for the roof repair. Teresa will call Daryl.
3. Andy promises to have an answer on the doors next meeting.

The meeting was adjourned at 8:30 pm

The next regular meeting will be held Monday, November 2, 2009 at 7:30pm.
